We would like to bring you up to date regarding the status of Alevro's mission projects and to invite you to support our endeavors through prayer and financial contributions.

ALEVRO Is a non profit organization dedicated to reaching out to promote the salvation available through our Lord Jesus Christ to the Romanian community across the globe.

The main projects:

1. Free, web-based Repertoire of Romanian Gospel Songs
2. Church outreach, growth and youth group support through music
3. Support of the new Church in a poor, neglected neighborhood of Bucharest, Romania

WEB-BASED REPERTOIRE (LIBRARY) OF ROMANIAN GOSPEL SONGS

ALEVRO supports project for collecting, edited and e-publishing a repertoire (library) of Romanian Gospel Songs available for free on the Internet at www.alevro.net.

The library is constantly being updated with new songs and corrections to existing music. Copies of Repertoire on CDs are available upon request – also for free when our resources permit it.

We have also published several thematic evangelical song books, such as a Christmas Collection, Easter Collections, and many more are under construction. All songs from alevro.net are collected, written and edited by a team of brothers and sisters working as volunteers. The music sheets are uploaded by Ion Peana working as site administrator.

GOSPEL SONG BOOKS printed in Romania using the Repertoire of alevro.net:

CÂNTARI DE LAUDĂ ȘI DUHOVNICEȘTI (Praise and Worship Songs) with 648 songs printed in 2010 in cooperation with Romanian Bible Society;

HARFA BISERICILOR CREȘTINE PENTICOSTALE (Hymnal with musical note for Romanian Church of God) with 990 songs printed in 2015 (Editura Lăstarii de Măslin – Rădăuți Romania);

HARFA BISERICILOR EVANGHELICE- CÂNTĂRI PENTRU SĂRBATOAREA NAȘTERII DOMNULUI (Evangelical Songs for Christmas) with 341 songs printed in 2016;

HARFA BISERICILOR EVANGHELICE- CÂNTĂRI PENTRU SĂRBATOAREA MORȚII ȘI ÎNVIERII DOMNULUI (Evangelical Songs for Eastern) with 245 songs printed in 2017.

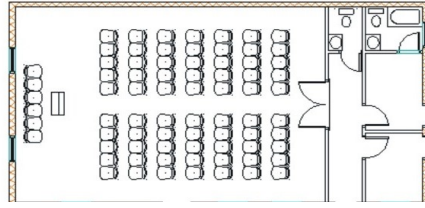

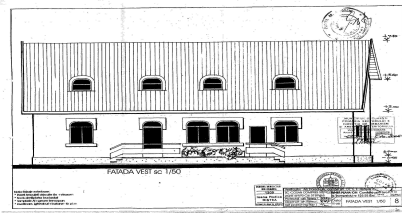

Corrections and additions are in process so every featured song includes the proper musical notation sheet music and lyrics written for use by the congregation, praise and worship groups, and for orchestra.

CONSTRUCTION OF A CHURCH IN BUCHAREST, ROMANIA

The church is located at Str. Trompetului Nr. 125, Bucharest, Sector 5 in the Ferentari neighborhood of Bucharest.

We are pleased to mention that starting in the summer of 2007, a small group began meeting weekly for praise and worship, and prayer services. Glory be to God!

Church sanctuary is today finished and everything is in place for a normal church activity.

The church is registered and authorized by the CULTUL CRESTIN PENTICOSTAL – BISERICA LUI DUMNEZEU APOSTOLICA DIN ROMANIA (Romanian Church of God) Pastor Cornel Livanu is . ordained by Romanian Church of God.

1. The property has been donated by the Peana family, free of any debt.
2. The property is not used for any loan guarantees. All taxes are paid and up to date.
3. The land is approx 800 square meters. (1 square meter = 9 square feet). This is large enough to accommodate the church building and parking lot.
4. All utilities: water, sewer, electricity, and gas are properly installed on the property.
5. All expenses for the construction project, documentation, and such related fees have already been paid.

Ion Peana is the administrator for ALEVERO and the person responsible for this project. He worked as Project Leader and Volunteer Coordinator this past summer at the church premises.

In summer of 2017 the parking space was paved with ecological pavements and other necessary work was done for fence and other administrative requirements.

In November 2017 the church experienced a night intrusion by forcing window and few thieves tried to steal the sound system and the org. Police was called and they could not take all they wanted but the org, most valuable part is damaged.

This is an illustration of the bad neighborhood and the work facing the church.

Church installed on the property protection equipment (electronic cameras and alarm system) to prevent future unauthorized intrusions.

We invite everybody who wants to contribute in the name of our Lord Jesus Christ to these projects to glorify God and evangelize poor and neglected neighborhoods of Romania. We would like to see Gospel Songs performed to the Glory of God and the Word of God preached in this place too.
