### S-9013 This Land Is Your Land

#### Refrain:

**This land is your land, this land is my land,  
 From California to the New York island  
 From the red wood forest to the Golf Stream waters  
 God made this land for you and me.**

**1 As I was walking that ribbon of highway  
 I saw above me that endless sky way  
 I saw below me that golden valley  
 God made this land for you and me.**

**2 I've roamed and rambled I follow my footsteps  
 To the sparkling sands of her diamond deserts  
 And all around me a voice was soundung  
 God made this land for you and me.**

**3 When the son comes shining and I was strolling  
 And the wheat fields waving and the dust clouds rolling  
 As the fog was lifting voice was chanting  
 God made this land for you and me.**
